Annual Report

Location:
Glacier National Park

PHOTO: SCOUT TROM

Dear Friends,

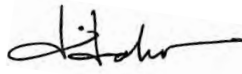

2025 brought moments of true connection to nearly 40,000 people—across age and regardless of ability, and within families and communities—all through time spent in nature.

Just like the people who adventure with us, we are made stronger through partnership and collaboration. Our community of partners, supporters, and champions help us forge the path that allows everyone to feel like they belong in the outdoors. A move to our new headquarters brought deepened collaboration within our team and better service to the thousands of people who adventure with us.

Everything that we accomplished in 2025 is thanks to our generous supporters who believe in our mission. This is a celebration of your impact last year. We can't thank you enough!

Erika Rivers,
Executive Director

Louis Lambert,

2025

By The Numbers

In 2025, **38,312** people joined us for immersive and life-changing outdoor adventures.

1,970

individuals and families joined extended and near-nature adventures, as they paddled, hiked, and camped along rivers, mountains, and sea caves.

35,939

youth, families, and community members paddled, learned, and explored outdoors through Canoemobile day and multi-day programs, engaging communities from Albuquerque, NM to Washington, D.C.

403

individuals participated in training, leadership and career pathways, including our fellowship programs.

Voyageurs National Park (middle)
Apostle Islands (right)

CONNECTION

Across Age

Participants ranged in age from 91 years to just 15 months old.

⬆ The 2025 fall Canoemobile tour was our largest ever, serving 30,000 people in 80 communities across the country.

↻ We were proud to partner with MIGIZI, the Loppet, and Project Success on a series of skill-building day experiences to provide their youth participants with hands-on learning around science, history, culture, and geography.

⬅ Lifelong connection to the outdoors was made possible through lodge-based trips that provide the best of both worlds; adventure during the day and indoor comfort at night.

CONNECTION

Across Ability

Accessibility is at the core of our mission.

- ➔ Trip participants like Matt (above), who lost his vision in 2023, enjoyed time spent in nature thanks to accessible, welcoming spaces and adaptive equipment.
- ➔ Partner organizations like Shriners and Metro Deaf School spent time on trail with Wilderness Inquiry. Hiking, swimming, kayaking, and more helped build confidence and belonging.

CONNECTION

With Families

Military Families Outdoors (MFO)

In partnership with Blue Star Families, we continued to expand critical access to nature for service members, veterans, and their loved ones, with funding and support from the Defense Health Agency and the National Park Service.

Locations:
Black Hills (top and middle)
Yellowstone National Park (bottom)

CONNECTION Through Food

2025 saw the grand opening of our new headquarters building, complete with a commercial-grade kitchen. Thanks to this increased capacity, we can continue to provide high-quality, nutritious meals that meet every participant's needs. We welcomed community and corporate partners alike for meal kit preparation volunteering.

Financial Summary

"Wilderness Inquiry closed 2025 on strong financial footing. We continue to take our fiscal responsibility to donors and stakeholders seriously, maintaining conservative accounting, financial, and governance practices to protect these resources. This disciplined approach is reflected in Wilderness Inquiry's consistently high ratings from Charity Navigator, underscoring our trustworthiness, transparency, and efficiency.

Audited financial statements are prepared by Carpenter, Evert & Associates, Certified Public Accountants, and reflect our financial position as of December 31, 2025." —JOHN HINCK, TREASURER

Legislative-Citizen Commission on Minnesota Resources (LCCMR)

Canoemobile's "floating classroom" engages youth across Minnesota to experience place-based, environmental, and STEM learning in the outdoors. Since 2017, with support from the Minnesota Environment and Natural Resources Trust Fund, as recommended by the Legislative-Citizen Commission on Minnesota Resources (LCCMR), more than 58,000 youth from across Minnesota have explored local ecosystems and the species that depend on healthy watersheds in our headquarters state.

Legacy

Support from the Arts and Cultural Heritage Fund of the Clean Water, Land and Legacy Amendment provides place-based, hands-on experiences for Minnesota youth to learn about the history, culture, and geography of our state's natural resources. Since 2016, more than 46,500 youth have explored Minnesota's rich outdoor heritage through immersive learning on local waterways and public lands.

Federal Partners

Meaningful partnerships make outdoor connections possible. Thank you to our federal partners, agencies, and their staff for paddling alongside us in 2025. Through valued public-private partnerships, Wilderness Inquiry is able to scale our programs to serve thousands of youth and adults, provide inclusive adventures from coast to coast, and ensure that our nation's public lands, waterways, and national parks and forests are accessible for all.

Great River Race

In 2025, our 15th annual Great River Race brought together friends and supporters for a day of purpose, impact, and paddling fun. More than 300 people raced and cheered along the mighty Mississippi River in support of closing the outdoor opportunity gap for youth. Thanks to The Minnesota Star Tribune, Thomson Reuters, Cargill, and Nature Valley, for their presenting sponsorships and to all of the sponsors and partners who joined us to create equitable and inclusive outdoor opportunities!
